Recommended Dose:
Shake well. Take 1 ml
3 times per day

Strauss Immune Plus Drops™

Helps maintain/support immune function in adults.

Immune Plus Drops™ are a multi-functional product designed to maintain and support both immune and digestive health, supporting the symbiotic relationship between the gut and immune system.

Immune Plus Drops™ are easy-to-take liquid drops for adults, which help provide effective relief of coughs, colds and bronchitis, as well as help alleviate conditions of the digestive tract, such as gastritis and dyspepsia.

Strauss Immune Support Drops™

Did You Know?

The design of our immune system is complex and influenced by an ideal balance of many factors, not just diet, and especially not by any one specific food or nutrient. However, a balanced diet consisting of a range of vitamins and minerals, combined with healthy lifestyle factors like adequate sleep, proper gut health, exercise and low stress, most effectively primes the body to fight infection and disease.

What factors can depress our immune system?

- Older age • Environmental toxins • Excess weight
- Poor diet • Chronic diseases
- Chronic mental stress • Lack of sleep and rest

How can Immune Support Drops Help?

- Helps relieve coughs, colds, and non-acute bronchitis
- Helps support a healthy immune system
- Helps relieve gastritis and dyspepsia
- Can help stimulate appetite
- Easy to take, in an ideal travel size
- For adults aged 19 and older
- Refreshing Spearmint flavour

Immune and Respiratory Health

Used to support and maintain immune health in adults. Whether you work in an office, take public transit, or travel for business, coughs, colds, and bronchitis are easy to pick up and can leave you feeling terrible. Immune Plus Drops™ support health immune function and can help by providing effective relief of these conditions and get you back to feeling normal.

Recommend Dose: Adults: 19 years and older: 1mL, 3 times per day **Medicinal Ingredients:** Myrrh gum (Commiphora myrrha) 527.7 mg, Goldenseal root and rhizome (Hydrastis canadensis) 263.9 mg, Cayenne fruit (Capsicum annuum) 4.4 mg, Vitamin C (ascorbic acid) 3mg. **Non-Medicinal:** Water, Ethanol, Spearmint Flavour, Citric Acid
