

Feel better with Strauss.

Strauss HeartDrops®

Used in Herbal Medicine to help maintain cardiovascular health and to help reduce elevated blood lipid levels/hyperlipidemia in adults.

No symptoms? Some people have silent CHD with no prior signs or symptoms.

Doctors, especially Cardiologists maintain that “you are only as old as your arteries”. They know that arterial aging wears out your brain, heart, kidneys and other organs as well as causing damage to hearing and eyesight.

Consider taking Strauss HeartDrops® with CardioCalm™ Drops and Kidney & Blood Pressure Drops™

Strauss Heartdrops®

DID YOU KNOW?

Heart disease is the leading cause of death for North American women accounting for 1 in every 4 female deaths, killing more women than all forms of cancer combined. Heart disease is also the leading cause of death among young women. No longer a "man's disease," more women than men now die of heart disease. Only 54% of women recognize that heart disease is their #1 killer. Almost 65% of women who die suddenly of coronary heart disease have no previous symptoms. And over 90% of women have one or more risk factors for developing heart disease.

Strauss Heartdrops® - Our original formula, built on generations of traditional herbal knowledge, and crafted by the Strauss family's unique methods that combines Aged Garlic Extract (AGE) with extracts of seven other herbs in a proprietary process.

Garlic has been used in Herbal Medicine to help maintain cardiovascular health in adults and help reduce elevated blood lipid levels (hyperlipidemia).

Hawthorn Leaf, Flower and Fruit are used in Herbal Medicine to help support cardiovascular health in adults.

Also contains extracts of herbs like **European Mistletoe Leaf, Motherwort Herb Top, Bilberry Leaf, White Willow Bark, and Cayenne Fruit.**

Original and Cinnamon Flavour.

Recommend Dose: Adults shake well take 1.0 ml – 2.5 ml, sublingually, 3 times daily. May dilute in a small amount of liquid. Do not refrigerate.

Medicinal Ingredients: European mistletoe leaf extract 17.9 mg, Hawthorn fruit extract 35.8 mg, Hawthorn leaf and flower extracts 2.1 mg, Motherwort herb top extract 3.1 mg, Cayenne fruit extract 2.4 mg, Aged garlic bulb extract 435.5 mg, Bilberry leaf extract 1.9 mg, White willow bark extract 1.3 mg.

Non-Medicinal: water, ethanol, cinnamon flavouring for Cinnamon only.

Manufactured in a GMP Compliant, NNHPD licensed and USFDA inspected facility.

Strauss formulas have been available for over 40 years and are well known for being so effective you don't need to take them forever.
